

Dear Jabez;

On behalf of the ABA, American Prepaid Legal Services Institute, we wish to thank you for the invaluable contribution you made at the 2013 API Conference. From the feedback we have received; the program was a great success. We are happy to send consolidated speaker evaluations should you be interested in the feedback. Let us know whether you want to see the consolidated results.

We appreciate the time you took out of your busy schedule to join us and thank you for sharing your insights with our attendees. Your willingness to volunteer your time, energy and support on behalf of the API Conference is greatly appreciated.

Please watch your mail for a small token of our appreciation.

Again, many thanks for your time and effort.

Sincerely,
Bonnie Moses, Conference Chair

Here are a few comments:

1. They came from an attorney prospective.
2. I don't use technology enough or very well. These guys did the best presentation I ever heard.
3. Lots of great ideas that we could potentially implement as a plan administrator (although could be challenging since we are regulated by the business.)
4. Provided great ideas - as plan administrator maybe something we can use in our area.
