Dear Jabez,

On behalf of the Continuing Legal Education Committee of the Bar Association of Lehigh County, I would like to thank you for presenting the seminar entitled, "*Tech Tips for Attorneys*" here at the Bar Association building today, February 26, 2013.

The seminar attracted an audience of forty-two attorneys and legal support staff who gave excellent ratings in their evaluations of the program. All of the attorneys indicated that they would be interested in attending a similar program in the future. Let me share with you comments written on the evaluation sheets:

"The speaker is extremely knowledgeable and he presented the information in a very understandable way. Excellent program!"

"Good seminar –informative. Instructor was well spoken."

"Instructor was very well prepared and explained things very well."

"Could easily do 2 to 3 hours with a speaker of this caliber!"

I know how much time and energy is expended in preparing and presenting such a seminar. The Committee thanks you again for taking the time to plan and present this seminar for the benefit of our membership. Speaking personally, it was a pleasure working with you. Last year alone I held 161 seminars here at the Bar Association and listened to 714 presenters and I can honestly say you are in the top 2% of the best presenters I've had the pleasure to hear. Your program was professional, informative, well presented and not a commercial. You did a fantastic job. Thank you.

Sincerely,

Nancy Devers
