Re: Presentation – Get Noticed, Get Found

Dear Jabez,

Thank you so much for coming to Topeka to present "Get Noticed, Get Found". You did an amazing job delivering your message and keeping everyone engaged. The program was very educational, enlightening and informative. The information offered could be used not only by law firms, but any business.

I really enjoyed getting to know you a little during your brief stay in Topeka. I must admit that I was a bit skeptical about your program. I thought it may be a way to promote your book. But, I was pleasantly surprised. You are truly interested in getting the best and latest information to the public. Plus, as a bonus, you are just a wonderful and genuinely nice person.

Many attendees responded with excellent evaluations. I would recommend the program to anyone that wants to market their firm and would be happy to visit with anyone interested in your presentation.

Please stop by again if you are in the area.

All the best,

Paula Huff, Executive Director
