Dear Jabez,

Thank you so much for your outstanding presentation today. Can't recall the last time I received so much information in so short a time. If you need any kind of reference going forward as to your speaking abilities, don't hesitate to let me know. You kept this audience in a very attentive mode for the duration of your talk. No easy task. As I told you, if you had allowed questions, you would still be there.

Now I am going to read your book and I am sure that I will be back with lots of questions.

Good luck in all of your endeavors.

KEN MALOVOS
