To Whom it May Concern,

We recently had the guys from Get Noticed Get Found in to deliver a CLE on how attorneys can better manage their online presence.

After reading the post-event reviews and seeing the CLE presentation, I give them my highest recommendation.

Their presentation was excellent. It was both relevant and entertaining. And we had one of the best turnouts we have had for a long time. (The topic is obviously one that our attorneys were looking for.) Plus, each attendee received a copy of their #1 best-selling book which I know was much appreciated by our members.

I highly recommend bringing them in to present to your association.

All the Best,
