RE: Your Presentation on February 7, 2012

Hello Ed and Jabez,

Thank you again for your excellent presentation on February 7 on how to manage your online presence to grow your practice.

The attendance was excellent, and I was amazed to see the high quality of evaluations returned. Almost everyone gave both of you, the speakers, and the topic, a 5 out of a possible 5 score.

The attendees also really appreciated receiving a copy of your publication, How To Turn Clicks Into Clients.

If I can be of service in the future, please let me know.

All the best,

Peter J. Steiner
