Dear Jabez,

Thanks so much for your recent presentation at our CLE Conference in Vail to nearly 350 attendees. Our goal was to have a plenary session that would appeal to many different types of lawyers who practice in a variety of substantive areas. Your presentation was just what we needed and the feedback, both in person and on our evaluations, was uniformly very positive. You engaged the audience within the first 2 minutes and held their attention for the entire presentation. I could tell by the crowd surrounding you that you generated a lot of interest from many who were in the audience who wanted to ask follow up questions and learn more about their online presence and the ethical guidelines for lawyers. Thanks again for a job well done and we hope to see you back here in Colorado.

With kind regards,

Gary Abrams, Executive Director
